 [trollcatz](https://trollcatz.livejournal.com/) (<https://trollcatz.livejournal.com/>)? You remember that thing we talked about a while back? That involved the phone call? I think maybe an update would be a good idea. If it's not inappropriate.

## Experimental Whole Wheat

### Green Chile Robot Bread #1

Yes, baking with your hands is more fun. And the results have a better texture, and taste better.

Just got home. Call me.

In other news, my dad is weird, but surprisingly cheerful.

And I hope Mom's having a good seder.

You can be my calming grownup any time.

I went out to play in traffic for a while, clear my head. Now I'm going to sleep on it.

This stuff is hard.

You + traffic + unclear head = harpy yikes!

So I'm glad I only heard about it afterward. \*g\*

You having prep day all day, or you want to hang this evening?

What? It's very focusing!

Hanging this evening sounds awesome. I could use some face time anyway. Just you and T.? O, are you busy?

Your place? Because it's so cozy? \*g\* (sings: "As if there were apartments smaller than mine...")

I was thinking your place. Where my sweetheart lives....

And you and T. also. ;-)

Aren't you fully employed in cooking for the week?

I'm DONE! (I did it yesterday, to use up my angst energy.)

Asparagus?

 [cvillette](#)

[April 20 2008, 19:40:00 UTC](#)

[COLLAPSE](#)

It's in season. Hollandaise? You have a blender, right?

 [trollcatz](#)

[April 20 2008, 19:58:51 UTC](#)

[COLLAPSE](#)

Well, duh--how could we make frozen daquiris without a blender? (Actually, on account of the yogurt/juice/fresh fruit/zoom-drink-run breakfast thing, it's probably my second-most-used kitchen appliance. No, third.)

 [cvillette](#)

[April 20 2008, 20:00:18 UTC](#)

[COLLAPSE](#)

What do you want **BESIDES** asparagus?

 [Ometotchtli](#)

[April 20 2008, 20:07:55 UTC](#)

[COLLAPSE](#)

Something spring-like.

(I have rhubarb. Rhubarb-rhubarb-rhubarb. Do you want me to turn it into cobbler or pie?)

 [cvillette](#)

[April 20 2008, 20:12:16 UTC](#)

[COLLAPSE](#)

YES?

Hmm. Springlike. Asparagus with hollandaise and ~~pasta primavera~~ lemon cream chicken pasta.

Okay, on my way to the store.

Oh, yeah, so damned busy being self-absorbed with my relationship angst I forgot to walk the walk. What's up with your dad?

My father is now a sort of guest teacher at the local high school. He's started an honors science class. Logical outgrowth of his tendency to rattle the daily paper irritably and growl that no one has a clue about science, and he's happy to the point of smug.

But hello! My father *hates* teenagers! He hated his own teenagers!

I heroically did not point that out to him. Just told him I was proud of him for helping save the world.

(Don't guilt yourself over the busy--you knew if my dad-story was a big deal, I'd have led with it.)

But that's... cool.

Check the basement for pods.

Not 'til I can bring a flashlight along. \*g\*

(Gawd, it *is* cool. Now I'm afraid to ask him who he plans to vote for for Prez.)
